## AIRNORTH RESUMES SERVICES INTO THE GLITTER STRIP: **GOLD COAST**

Airnorth is pleased to announce the resumption of services to Australia's favourite playground: The Gold Coast. Services will commence August 2 and will operate twice weekly every Sunday and Wednesday between Townsville and the Gold Coast until the end of September.

This seasonal service will provide further connectivity between our Queensland destinations and a much-needed boost to the Queensland Tourism Industry as domestic travel begins to pick up.

"We are delighted to see travel confidence growing and be in a position to offer special services that will allow Queenslanders to reconnect with loved ones across the state and enable Australian's to get back out there and travel again," said CEO Daniel Bowden.

This is the third intra-state route for Queensland that Airnorth has resumed in recent weeks following the recent announcements of operations between Toowoomba and Townsville and Toowoomba and Cairns.

To celebrate, Airnorth has released sale fares starting from \$169 one-way for travel between Wednesday 05 August to Tuesday 29 September 2020. Price include 20kg free check baggage and complimentary refreshments
